In light of the Board's discussions since that time, were there other topics that should have been covered?

Should some topics have been addressed in greater detail?

Could any of the topics be left out?

What other feedback can you provide about the orientation process?

Orientation Teleconferences

Prior to the November Board meeting, management offered a teleconference to answer questions about the topics to be considered at the board meeting.

Did you find the pre-meeting teleconference helpful in your preparation for the meeting?

Yes No

What could have assisted you to be prepared for meetings?

Mentors

Each new Board member was assigned a continuing Board member as mentor.

Have you felt supported and assisted by your mentor in your adjustment to the OHA Board?

Yes

No

What suggestions can you provide for ways mentors might engage with new Board members?

Board portal

Other than accessing Board and Committee meeting packages, have you referred to the materials on the Board portal?

What additional information would it be helpful to make available on the Board portal?

What additional information or tips would have helped you to access materials using your iPad and the Board portal?

Board Education

Have Board evening session speakers and guests at Board meetings assisted in your education about issues facing the health system and informed board discussions?
